

HELP PLAN BERLIN'S FUTURE!

We Invite You to Attend Our Community Meetings

The Mayor and City Council are putting an action plan together to guide the Town's work for the next several years. Come tell us what's great about living in Berlin and what we can do better. We want to hear from you.

**Worcester Youth & Family Counseling Services is offering FREE babysitting for the Strategic Planning Meetings to be held on Thursday, February 12th and Saturday, February 21st. Children may be dropped off at Worcester Youth & Family ½ hour before the meeting begins.*
